With 40 years of dedication, FKO remains committed to nurturing the full potential of every child.

Our Core Values:

- Practice Kindness
- Be Supportive
- Foster Collaboration
- Appreciate Differences
- Embrace Holistic Learning

By The Numbers:

- Celebrating 40 years and over 20,000 total kids served
- 1,550 children enrolled today in 12 programs
- Proud to partner with municipalities and schools across 5 communities:
 - Chelsea, Everett, Peabody, Revere, Winthrop

About The Gala :

Many working families face the challenge of inaccessible childcare, forcing them to decide between providing for their families and ensuring their children's well-being.

Through scholarships tailored to those in financial need, FKO brings historically marginalized children into safe, nurturing, and educational out-of-school time environments where they can thrive.

By investing in childcare scholarships, we secure a brighter future for children, uplift our communities, and create a ripple effect of positive outcomes that extend far beyond the individual beneficiaries.

Each of us leaves a unique mark on the world – what we call our heartprint. Like fingerprints, heartprints are distinctive patterns that define us, shaping our thoughts, feelings, and actions. Although invisible, heartprints can be felt in the words you say and the things you do.

Join us as we celebrate four decades of FKO and help us enable more children to leave their heartprints on the world through kindness and compassion.
