- As a **reminder**, children should be picked up **after** their enrichment time to maximize their out-of-school-time learning.

ENRICHMENT CLASS DESCRIPTIONS

CLASS	DESCRIPTION
Winter Wonder Makers	Explore the magic of winter through imaginative crafts, sensory art, and playful building projects. Each week, students will experiment with a variety of materials—paint, texture, paper, glitter, and natural elements—to design winter-themed masterpieces like shimmering snowflakes, polar animal art, glowing lanterns, and frosty scenes.
Game ON	Students build teamwork, confidence, and coordination through a variety of exciting gym games. Each week features new challenges like relay races, tagging games, obstacle courses, ball skills, and cooperative team activities.
Build it Buddies	A hands-on building and creativity enrichment where students work together to design, build, and solve challenges. Using simple materials—blocks, LEGO®, cardboard, craft supplies, and imagination.
Fun Fit Frenzy	Students stay active through exciting games, challenges, and movement-based activities. Each session builds strength, coordination, and confidence while teaching teamwork and good sportsmanship. With upbeat games and positive vibes.
Fun Friday	A playful end-of-week enrichment where students enjoy a mix of games, crafts, building activities, and creative stations. Each week brings something new and exciting, giving kids a chance to unwind, have fun, and explore their interests in a positive, engaging environment.
